Wall lamp PURA is a classic lamp for your home, which convinces with its simple design. The white glass decor emits a soft light and creates a harmonious atmosphere in almost all classically to modernly furnished living spaces. The purist design of this lamp is a mix of noble metal look in old brass and a white glass. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
