The LOVIS series brings exactly what boho lovers want - lightness and cosiness through natural materials. The trendy rattan weave and the eye-catching design of the wall lamp set warm accents and create a special light atmosphere in your home. With the help of LOVIS, create a new favourite and retreat in your home that radiates peace and security. The modern mix of natural rattan weave and black matt metal makes the lamp an eye-catcher in your living area and blends easily into your interior style. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
