With its clear design, the ENZO metal luminaire skilfully sets the scene for any interior. Pendant luminaires are ideal for optimally illuminating certain areas. They are versatile, and combine well with different interior styles. Designed in matt black, the pendulum perfectly rounds off modern furnishing styles. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
